These clauses and the complete termination of legal relationships between you and Seminarhouse are exclusively subject to regulations of German law. If single regulations are invalid or will be, the legal force of all other regulations stays unaffected. In place of the invalid regulation use a valid regulation that comes closest to the meaning of the invalid regulation as far as it is possible.

2. Prices

All offered prices include all taxes and dues. They are valid until revocation. If the legal tax changes after the conclusion of a contract the prices are changed accordingly.
